

Feedback on the 2024 Intercultural Competence for International Education: Deep Dive

“I cannot say anything negative about this workshop. It kept me engaged the whole time. The only thing that I would want to change is to make it more extensive, so that we could learn more how to apply the cultural dimension in practice.”

“Highly recommend this workshop, it was fantastic and aligned so closely with my values and interests. I have got so inspired by this that I want to investigate studying this more formally.”

“You should do it - fascinating insights on how to communicate with the world!”

“Get your thinking caps on and be open minded!”

“I highly recommend this workshop to anyone ready to think deeply, and approach with an open mind.”

“The wealth of information was inspiring.”
